

# HOW TO ZINE A COMMUNITY

**This zine is a collaborative effort as a result of the How to Zine a Community workshop, held by Incubatorul de Animație (The Animation Incubator) in April 2024. Incubatorul de Animație (The Animation Incubator) is the largest community dedicated to non-formal education in animation, digital art, and technology for young creatives from Romania and the Republic of Moldova. Our spaces are always accessible, diverse, and inclusive. We are community-led, interdisciplinary and value collaboration above all.**

**This zine aims to explore the individual perspectives of our participants, uncovering how they perceive themselves within different communities. Ultimately, it represents a snapshot portrait of our community and the diversity within it at this point in time.**

**Incubatorul de Animație is a project powered by Animest Bucharest International Animation Film Festival.**

# **SELF-PORTRAIT WITHOUT A PORTRAIT**

**In the beginning, the participants created a self-portrait without using any of their own facial features. Through self-reflection, they instead expressed their identity using symbols, colours, textures, objects, and text.**

# EXQUISITE CORPSE

**In this exercise, participants collaborated to create a series of characters. Working in teams, they conceptualized each character, with each team member drawing a section without viewing the contributions of others. The sections were then assembled to form the final character.**

# COMMUNITY

**For this part, the participants focused on a particular community that they are a part of and offered us insight into how they perceive themselves in relation to that community. Some communities were grounded in reality, while others were more abstract; they all helped us better understand each other's perspectives and how individual the feeling of belonging can be.**

BECAUSE WE'RE ALL HERE TO HAVE FUN AND BE IN A SAFE SPACE!  
IT'S IMPORTANT TO BE A DECENT HUMAN BEING EVEN WHEN YOU ARE TRYING TO CHILL!

## Where?

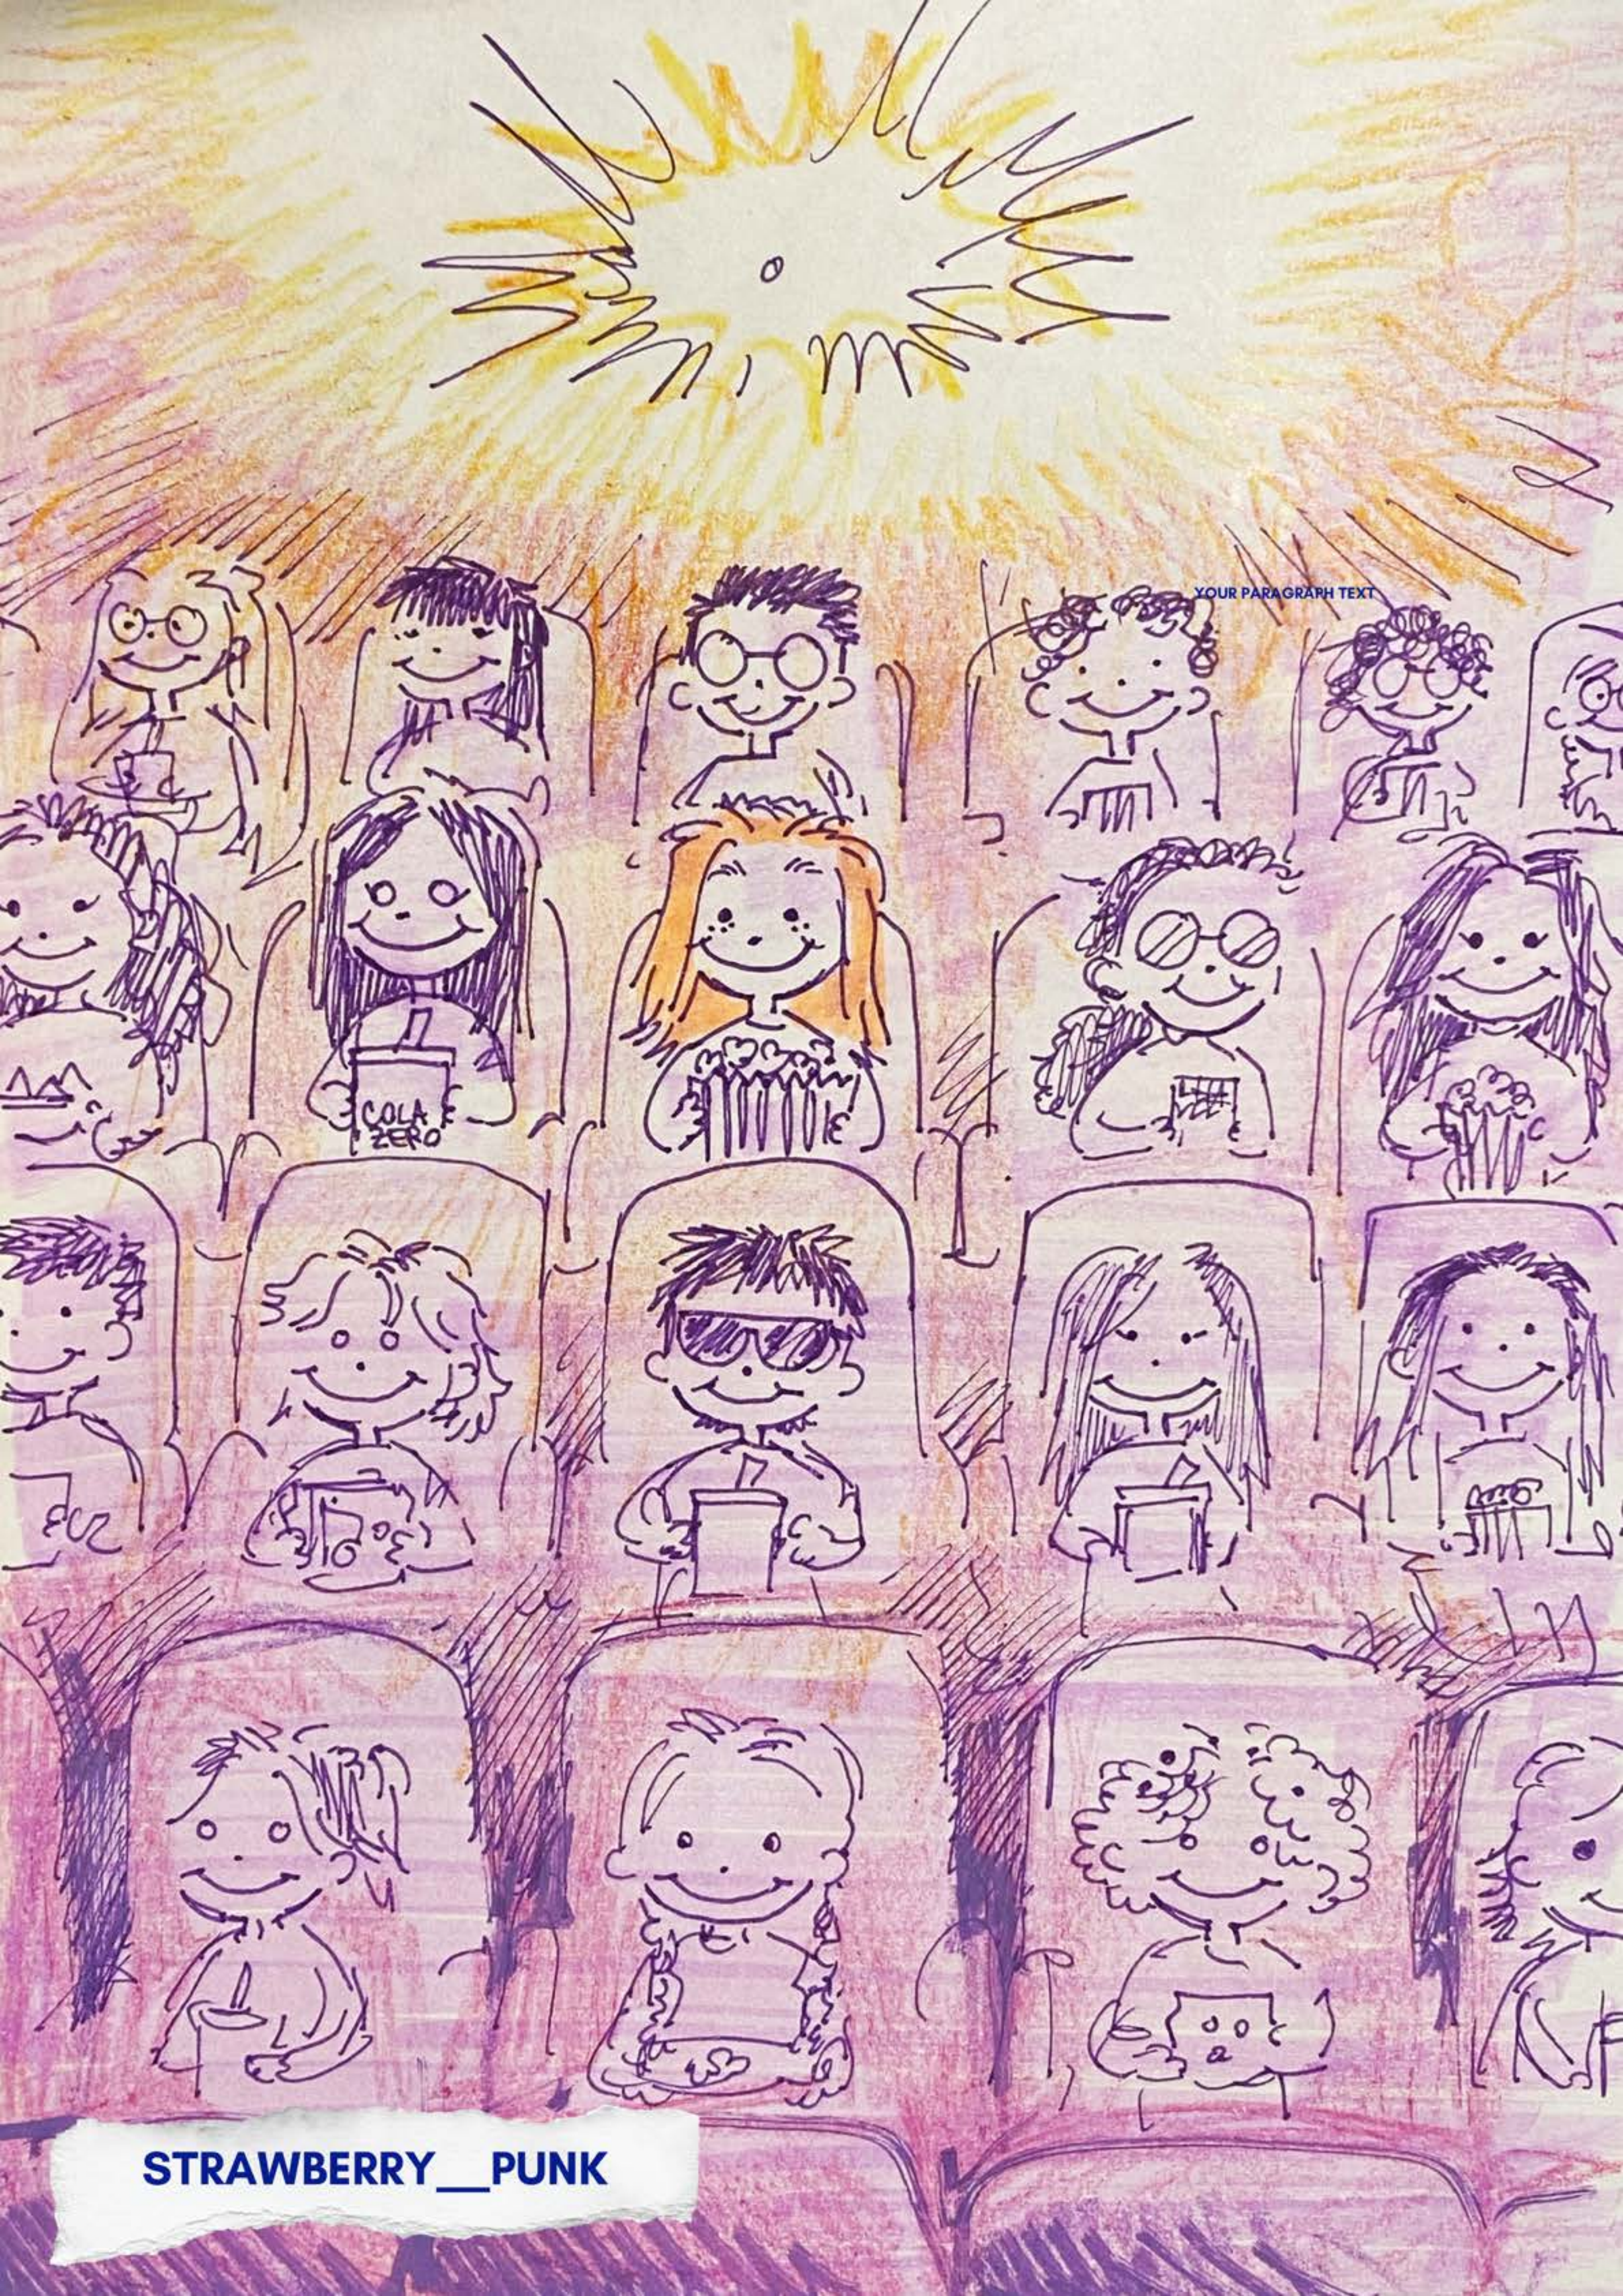

AT ANY GIG THAT YOU ATTEND, BE IT AT A FESTIVAL OR A SMALL PUB, YOU SHOULD ALWAYS BE AWARE OF HOW YOU BEHAVE!

## Rules!!!

1. Try not to hurt anyone.
2. Don't get too drunk.
3. Practice self hygiene! (please)
4. No Karate in the pit!
5. Don't push people around!
6. Don't use slurs!
